La Sultane de Saba Spas

La Sultane de Saba conceived for you a place dedicated to beauty and wellness. It's a travel through continents. Luxury and calm...

A new and original concept with structured architecture of shops, a unique and refined design.

A managing spa strategy leading to success.

A brand with ancestral inspiration, adapted to clients' needs and always innovative.

Wellness products inviting to travel and classified by ranges.

Spas in prestigious hotels well-known all around the world.

A dynamic and international press.

Proved results of an evolving brand.

Faithful customers.

A considerable profitability.

Minimal facilities.

Movements and training techniques matching products from the different ranges and supported by a training dvd.
